Operations & AI: Creative Operations, Project Management, Approval Workflows, AI Workflows & Automation, Airtable

Tools: Premiere Pro, After Effects, Illustrator, Photoshop, InDesign, Figma

EXPERIENCE

Social Creative Manager, Virgin Voyages

November 2024 - Present · Remote

- Lead creative direction for all organic and paid social, translating brand vision into cohesive campaigns across a 2M+ audience, growing engagement 40% YoY and increasing content output 132% YoY
- Manage and mentor 3+ designers, videographers, and contractors, setting clear direction and reviewing all creative to ensure it stays true to brand standards and resonates with its target audiences
- Built a custom creative approval system that consolidated three tools into one, handling 100+ assets monthly, cutting production turnaround by 20% and unifying brainstorming, feedback, and approvals
- Led social creative for the brand's fourth ship launch, partnering with brand and growth teams to shape campaign concepts
- Build AI workflows and automations for concepting, planning, and production, informing monthly creative strategy

Social Content Designer, Virgin Voyages

August 2021 - November 2024 · Remote

- Shaped and developed the brand's voice, look, and feel on social through its launch and 4 ship rollouts, helping grow total audience from 350K to over 1.2M
- Designed 10+ static, motion, and video campaign assets weekly across 10 major digital and social channels
- Traveled internationally to capture content and support shoot planning for organic and paid use
- Built a company-wide social asset library, improving access and distribution across teams

Freelance Videographer and Designer, Maxwell Purwin Freelance

September 2016 - August 2023 · Grand Rapids, MI

- Designed brand identities, vector graphics, and motion graphics for clients using Illustrator and Photoshop
- Concepted, storyboarded, and directed on-location photo and video for automotive and medical clients
- Grew an independent automotive YouTube channel to 26K+ subscribers, publishing 3x weekly

Production Assistant, Specialty Field Production

May 2018 - December 2020 · Grand Rapids, MI

- Supported large-scale commercial and livestreamed productions for clients including Ford Performance and Rivian, working with 15+ person crews and managing cameras, drones, grip equipment, and media offloading on set
